

Pharmacy Practice Experience Preceptor Update Form

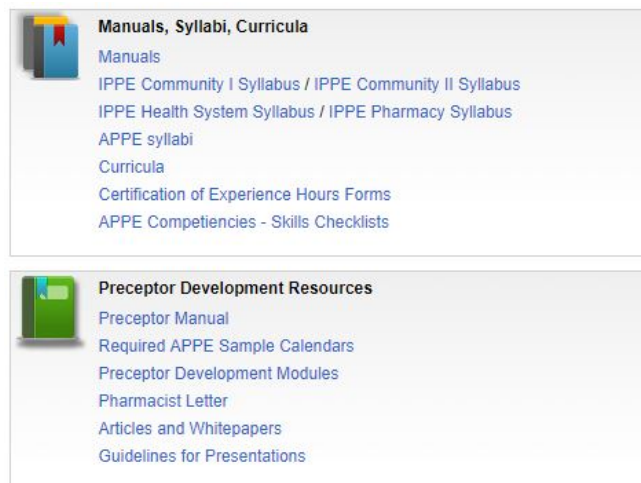

Thank you for your continued commitment to NSU College of Pharmacy. To update your rotation types, practice site, email address, phone number, etc, please complete this preceptor update form and return to NSU:

Nova Southeastern University
College of Pharmacy, Experiential Education
3200 S. University Drive
Fort Lauderdale, FL33328
E-Mail: COPpreceptor@nova.edu

Upon receipt of your completed form, the Experiential Education offices will review the requested updates. Your information will be updated in PEPRx after this review and you will be notified once the update is made.

If you have moved to a new site that does not have a current, valid affiliation agreement with NSU College of Pharmacy, you will be contacted by the Experiential Education offices to initiate this process. A new affiliation agreement can take between 3 to 6 months to be finalized.

If you are requesting a new Elective APPE rotation type (anything outside of Ambulatory Care, Internal Medicine, Advanced Hospital or Advanced Community/MTM), along with this update form we will need a syllabus or calendar to add this rotation type to PEPRx. Sample syllabi and calendars can be found in PEPRx under Manuals, Syllabi, Curricula and Preceptor Development Resources.

Manuals, Syllabi, Curricula

- Manuals
 - [IPPE Community I Syllabus / IPPE Community II Syllabus](#)
 - [IPPE Health System Syllabus / IPPE Pharmacy Syllabus](#)
- [APPE syllabi](#)
- [Curricula](#)
- [Certification of Experience Hours Forms](#)
- [APPE Competencies - Skills Checklists](#)

Preceptor Development Resources

- [Preceptor Manual](#)
- [Required APPE Sample Calendars](#)
- [Preceptor Development Modules](#)
- [Pharmacist Letter](#)
- [Articles and Whitepapers](#)
- [Guidelines for Presentations](#)

We appreciate your continued support of our students and program!
We look forward to working with you to create better communities, patient care and innovative educational experiences.

Please fill out completely.
You may mail or email the forms to the Experiential Education Office.
