

AZO's April Fools Pie in the Eye Fundraiser

Want to let out that mid-semester aggression?

Take it out on us!....Literally!

Help support Alpha Zeta Omega and The Lustgarten Foundation by throwing a pie in one of our AZO board members faces!

Here's how its going down:

1. Jars will be in the pharmacy office lobby on the 4th floor with each board member's name and face on it.
2. Slip your donation in the jar of the person you want to get a pie in the face.
3. Jars will be set out from February 15th to March 26th.
4. On March 26th at 5pm, the person with the most donations in their jar will get the pie!
5. Wanna be the person that gets to sick it to them? On March 26th once the victim is named we will start a full on bidding war! Have your cash ready!
