College of Pharmacy
Peer Mentor Program

Expectations of the Peer Mentor

- ☒ Keep in contact with your mentees on a regular basis (email, phone, in-person etc.) Ensure he/she knows you are available to them.
- ☒ Assist in answering his/her questions and providing support to him/her throughout the year. You can be a mentor, guide and friend to your mentee. Know that you are in a position whereby you can help foster his/her success.
- ☒ Get to know his/her interests and help to connect him/her to the proper outlets. For example, if you find out one of your mentees has a great interest in helping the community, direct him/her to the appropriate student organization(s).
- ☒ Utilize existing relationships with administration, faculty, and staff at the College to assist your mentee whenever you feel necessary, whether it be a question that you do not know the answer to, or perhaps just obtaining more information on a topic for your mentees
- ☒ Assist your mentees to network professionally by sharing your own connections and experiences with him/her.
- ☒ Encourage your mentees to achieve excellence, and celebrate successes- both big and small with him/her.
- ☒ Be courteous and respectful at all times.
